Earthbound's Earthfest April 22 at Avondale Brewery Celebrates Black Warrior Riverkeeper

Birmingham, Ala. – Saturday, April 22, 2pm to sundown, [Earthbound](#) headlines Earthbound's Earthfest, their annual outdoor concert enjoyed by thousands at [Avondale Brewery](#) (21 41st St S, Birmingham, AL 35222).

The purpose of Earthbound's Earthfest is to celebrate Earth Day and promote [Black Warrior Riverkeeper](#), a nonprofit clean water advocacy organization protecting the Black Warrior River basin. That watershed includes parts of 17 Alabama counties and provides approximately half of Birmingham's drinking water plus all of the water for Tuscaloosa and many other cities.

The family friendly concert is open to pets and humans of all ages, although guests under 21 must be accompanied by a parent or guardian. Suggested \$5 donations at the door – as well as proceeds from merchandise, art, beer, Red Mountain Crawfish and Smokey Sam's BBQ – support Black Warrior Riverkeeper.

The event's top sponsors this year are [Skates 280](#) and [Mercedes-Benz U.S. International](#), followed by [MacLellan, Inc.](#), their award winning water treatment partner.

“Mercedes-Benz U.S. International, Inc. has been building vehicles in Alabama for 20 years and we're proud to support Black Warrior Riverkeeper and Earthbound's Earthfest,” said Jason Hoff, President and CEO of Mercedes-Benz U.S. International. “We made a promise to protect our environment – a promise to our Team Members, our customers and our neighbors. Together, we are working to leave the world better than when we found it. Starting right here at home.”

“Earthbound's Earthfest is ideal for anyone who loves live music, craft beer, great food, local artists, outdoor fellowship, or clean water,” added Charles Scribner, Executive Director of Black Warrior Riverkeeper.
